COUNTY OF MENDOCINO
BOARD OF SUPERVISORS
501 Low Gap Road • Room 1010
Ukiah, California 95482

August 15, 2011

Douglas Bosco, Chairman

State Coastal Conservancy

1330 Broadway, 13th Floor

Oakland, CA 94608

Dear Chairman Bosco,

Redwood Coast Land Conservancy (RCLC) has submitted a grant proposal to the Coastal Conservancy to pay for surveys, design, planning and permitting for two public access trails near Gualala. One is on an OTD in Anchor Bay and is nearly .5 miles in length. The other is a few miles to the north on a parcel donated to the RCLC as a memorial for a deceased family member.

Both trails are bluff-tops with spectacular ocean views and there are no other coastal trails in close proximity.

As the supervisor representing the south coast of Mendocino County, I strongly urge favorable consideration of these proposals by the RCLC.

Sincerely yours,

Dan Hamburg

Conserving Land in Mendocino County since 1976

August 16, 2011

Douglas Bosco, Chairman
California Coastal Conservancy
1330 Broadway, 13th Floor
Oakland, CA 94608

Dear Mr. Bosco:

I write to support a grant request from the Redwood Coast Land Conservancy to design and obtain permits for two public access trails near Gualala, in Southern Mendocino County. Both offer dramatic ocean views of spectacular vistas from bluff tops in an area with very few other coastal trails. Completing them both will continue the rapid pace level of trail work now underway in Mendocino County, home to over 130 miles of California's coastland.

The Redwood Coast Land Conservancy is a real pioneer in opening the coast to public use in Mendocino, and has proven a strong steward of the trails they manage. I am excited to see their leadership being brought to bear on these two great projects, and hope the Conservancy will support their grant application.

Sincerely,

Winston Bowen
President

Mr. Douglas Bosco, Chairman
State Coastal Conservancy
1330 Broadway 13th Floor
Oakland, CA 94608

Dear Chairman Bosco:

I am writing in support of the Redwood Coast Land Conservancy's (RCLC) grant proposal to the Coastal Conservancy for public access coastal trails near Gualala.

As you may know, the area near Gualala has very few public access coastal trails. This grant would fund the necessary surveys, designing, planning and permitting of the two new public access areas. One in Anchor Bay is nearly one half mile in length and on an Offer To Dedicate (OTD). The other is located a few miles north and on a parcel donated to RCLC as a memorial to a deceased family member. Both are bluff-top locations with spectacular ocean vistas.

The construction of these trails would be a great benefit to both the local community and visiting tourists. It would also set a precedent for future, additional public access points and trails.

Thank you for your consideration of this important project. Please feel free to contact my District Office in Ukiah at 707-463-5770 if you have any questions.

Respectfully,

WESLEY CHESBRO
Assemblyman, 1st District
